Principal Activities

The principal activity of the company during the financial year were to promote two way trade and investment, economic cooperation and understanding between the business communities of Australia and China; to provide an opportunity for Australian business from all States and Territories to network on China business activities with their peers.

Short and Long Term Objectives

The company's short term objectives are to:

- Promote greater utilisation of ChAFTA by Australian and Chinese businesses through the commissioning of reports and delivery of projects and events for members.
- Extend the membership of ACBC beyond 1,000 members, across multiple sectors.

The company's long term objectives are to:

- Promote greater trade and investment between Australia and China businesses.
- Contribute to government policy to advocate for improved bilateral trade and investment.
- Enhance cultural understanding between Australia and China.
- Continue to be recognised as the peak body for matters related to Australia-China trade and investment.

Strategies

To achieve its stated objectives, the company has adopted the following strategies:

- The company raises funds from members and stakeholders to deliver events that promote Australia-China trade and investment, business links and policy development.
- The company enters into partnerships with a range of governmental and community stakeholders to educate members and promote Australian resources and services.
- The company continually enhances the value proposition for membership so as to grow the ACBC membership beyond 1,000 members.

Operating results

The operating profit for the year was \$164,482 (2016: surplus of \$213,583).

Dividends

The income and property of the Council, however derived, must be applied solely towards the promotion of the objects of the Council as set for in the Memorandum of Association and no part may be paid or transferred, directly or indirectly, by way of dividend, bonus or otherwise by way of profit to the members of the Council other than payment in good faith of remuneration to any members, officers, or employees of the Council. Accordingly, no dividends have been declared or paid and no dividend is recommended by the directors.

Review of operations

Total members' funds are \$1,028,759 as at 30 June 2017 (2016: \$864,277)

State of affairs

In the opinion of the directors there were no significant changes in the state of affairs of the Council that occurred during the financial year under review.

Events subsequent to the balance due

Since the end of the financial year the directors are not aware of any matter or circumstance not otherwise dealt with in the report that has significantly or may significantly affect the operations of the Council, the results of those operations or the state of affairs of the Council in subsequent financial years.

Environmental regulation

The Council's operations are not subject to any significant environmental regulations under either the Commonwealth or State legislation.

Likely developments

Further information about likely developments in the operation of the Council and the expected results of those operations in future financial years has not been included in this report because disclosures of the information would be likely to result in unreasonable prejudice to the Council.

Indemnification of office bearers

The Council's constitution agrees to indemnify directors, officers and the auditor of the Council, out of the assets of the Council against any liability arising out of the execution of their position, except where the liability arises out of conduct involving a lack of good faith.

Auditor's independence declaration

The Auditor's independence declaration for the year ended 30 June 2017 has been received and can be found on page 6 of the financial report.

The financial statements cover Australia China Business Council as an individual entity, incorporated and domiciled in Australia. Australia China Business Council is a company limited by guarantee.

1 Summary of significant accounting policies

The directors have prepared the financial statements on the basis that the council is a non-reporting entity because there are no users dependent on general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the *Corporations Act 2001*. The council is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards applicable to entities reporting under the *Corporations Act 2001* and the significant accounting policies disclosed below, which the directors have determined are appropriate to meet the needs of members. Such accounting policies are consistent with those of previous periods unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs unless otherwise stated in the notes. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise. The amounts presented in the financial statements have been rounded to the nearest dollar.

Accounting Policies

(a) Revenue

Non-reciprocal grant revenue is recognised in profit or loss when the entity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before the entity is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor; otherwise the grant is recognised as income on receipt.

Australia China Business Council (The Council) receives non-reciprocal contributions of assets from the government and other parties for zero or a nominal value. These assets are recognised at fair value on the date of acquisition in the statement of financial position, with a corresponding amount of income recognised in profit or loss.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised as it accrues using the effective method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customer.

All revenue is stated net of the amount of goods and services tax.

(b) Property, Plant and Equipment

Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and any impairment losses.

(c) Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the lease term.

1 Summary of significant accounting policies (continued)

(d) Employee Provisions

Short-term employee benefits

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The council's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as part of accounts payable and other payables in the statement of financial position.

Contributions are made by the entity to an employee superannuation fund and are charged as expenses when incurred.

(e) Cash on Hand

Cash on hand includes cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts

(f) Accounts Receivables and Other Debtors

Accounts receivable and other debtors include amounts due from members, sponsors and any outstanding grant receipts. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(g) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented net of the amount of GST.

(h) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997.

(i) Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the council during the reporting period which remain unpaid. The balance is recognised as a current liability with the amount normally paid within 30 days of recognition of the liability.

(j) Employee leave benefits

Wages, salaries, annual leave

Liabilities for wages and salaries, annual leave expected to be settled within 12 months of the reporting date are recognised in respect of employees' services up to the reporting date. They are measured at the amounts expected to be paid when the liabilities are settled.

1 Summary of significant accounting policies (continued)

(k) Significant Accounting Judgements, Estimates And Assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, revenue and expenses. Management bases its judgements and estimates on historical experience and on other various factors it believes to be reasonable under the circumstances, the result of which form the basis of the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions and conditions.

Management has identified the following critical accounting policies for which significant judgements, estimates and assumptions are made. Actual results may differ from these estimates under different assumptions and conditions and may materially affect financial results or the financial position reported in future periods.

(i) Estimation of useful lives of assets

The estimation of the useful lives of assets has been based on historical experience. In addition, the condition of the assets is assessed at least once per year and considered against the remaining useful life. Adjustments to useful lives are made when considered necessary.

**INDEPENDENT AUDIT REPORT
TO THE MEMBERS OF THE AUSTRALIA CHINA BUSINESS COUNCIL**

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Australia China Business Council (The Council), which comprises the statement of financial position as at 30 June 2017, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of The Council is in accordance with the Corporations Act 2001, including:

- (i). giving a true and fair view of the council's financial position as at 30 June 2017 and of its financial performance for the year then ended; and
- (ii). complying with Australian Accounting Standards to the extent described in Note 1, and the Corporation Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibility under those standards are further described in the Auditor's responsibilities for the *Audit of the Financial Report* section of our report. We are independent of the Council in accordance with the auditor independence requirements of the *Corporation Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence requirements of the Corporations Act 2001 which has been given to the directors of The Council, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw your attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the director's financial responsibilities under the Corporations Act 2001. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of the Directors' for the Financial Report

The directors of The Council are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the Financial Report is appropriate to meet the requirements of the Corporations Act 2001 and is appropriate to meet the needs of the members. The director's responsibility also includes such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Council or to cease operations, or have no realistic alternative but to do so.

AUSTRALIA CHINA BUSINESS COUNCIL

**INDEPENDENT AUDIT REPORT
TO THE MEMBERS OF THE AUSTRALIA CHINA BUSINESS COUNCIL**

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of the audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risks of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the Council's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

Conclude on the appropriateness of the directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the council to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
